

What to bring with you to class

Lots of training treats!

You will be using quite a bit of treats during class. Please find one that works best for you and your dog. Here are some of the things we like:

Fresh Pet - This is dog food but can be used as a training treat. They are small and easy to handle and dogs love them! Can be found at Target, Walmart and Hyvee.

Happy Howies - These can be cut up to any size you choose. They are soft but do not crumble and pups love them! They can be found at most pet stores and online at www.chewy.com.

Flat Buckle Collar or a Harness - Absolutely NO choke or prong collars

6' Leash - Absolutely NO retractable leashes

Toy

Bring a tug toy (any toy that will not roll to other classmates) or a long lasting chew your pup enjoys if your pup has a hard time staying quiet.
